Subject: Invitation to visit us in the USA

Dear Vilas, Vanita, Veena, Rohit and Jaden,

All this time we have only been talking about you all visiting us. So now I am officially inviting you over to our home here in the United States. Please come and spend some time with us as we would love to have you all over and show you how we have adapted to the American lifestyle.

As you all know, we have been to India so many times and now it is your turn to visit us. We have always talked about how beautiful the Niagara Falls are, and how lively New York city is and how beautiful the Atlantic Ocean is; we can visit all these places and spend some quality time together. Ever since Daddy and Mummy passed away, I feel we need to keep in touch and see each other more often. In our 29 years of living here, you all haven't even come once to visit us.

So please plan to come this year, in fact how about this May/June timeframe, that would be a good time as Spring is still in the air. Do give us a chance to host you as you all have so graciously hosted us over the past years.

Pradeep, myself, Neha and Raina are looking forward to seeing you all soon!

Take care and love to all!

Cynthia Pandit
